Important information

Our AXA Advanced Home Insurance policy is designed to protect you against the risk of things happening suddenly which you could not have expected such as fire, theft, flood and storm. It is not designed to protect you against losses that arise due to the gradual deterioration or poor maintenance of your home.

We want to ensure that you are fully aware of the extent of your cover, and would therefore urge you to read this policy in full along with the policy schedule. We have also taken this opportunity to bring some helpful information to your attention.

This section does not form part of your policy and contains only examples of what is contained in your booklet.

Gradual damage, deterioration and wear and tear

Damage caused gradually, by wear and tear or a lack of maintenance is often known as a 'gradually operating cause' exclusion in a home insurance policy. This means that you wouldn't be covered to make a claim for damage that's caused by one of the above reasons. This includes items which have suffered mechanical or electrical break-down, or which have suffered inevitable failure due to general wear and tear from normal everyday use e.g., if you had a washing machine that had stopped working due to general wear and tear, you wouldn't be able to claim for this. Items still under warranty may be covered for repair or replacement by the Manufacturer or warranty insurer.

AXA, along with most other insurers require homeowners to keep their property well maintained and won't cover you for the cost of routine maintenance of your home or possessions, or damage that happens gradually over a period of time or by wear and tear, which may only be highlighted or made worse by weather events.

Collision

If someone crashes into your wall or your house make sure you record their name, address, vehicle registration and contact details. We will need this information to help us try to recover your excess.

Subsidence

Damage caused by subsidence is the result of ground movement affecting your property. The most common signs of this are diagonal cracks away from door and window frames. New properties will often move for reasons other than subsidence and this natural settlement is not covered.

Subsidence and other types of ground movement can be difficult and complex to repair. It is important that you tell us as soon as possible if you think your home may be affected.

Escape of water

Your cover for escape of water is designed to cover damage to your property caused by water leaks.

It's always a good idea to get your boiler checked and/or serviced by a Gas Safe/Ofttec/Hetas certified engineer, depending on your heating system, in plenty of time for winter. This will help to prevent boiler failure which could leave you with no heating and/or hot water.

One of the biggest risks of water damage occurs when you are away during the winter where pipes can freeze and burst causing large amounts of damage. It is important that you take steps to avoid this by keeping your central heating on low so your pipes do not freeze over. If you want to turn your heating off then you should drain your central heating system and switch off the water at the mains.

Please be aware that cover for escape of water ceases after the home has been unoccupied for more than 60 days.

In addition, damage can occur due to water leaks caused when the sealant or grout around your bath or shower has worn away or failed.

Important information

It is important to inspect and maintain your property as damage of this nature is not covered by the policy.

Pipes often burst because they have worn out; if this happens you should turn off the main stop tap and contact a plumber. We will be able to pay for the damage the water caused but not to repair the pipe itself.

Fires

A large percentage of fires start in the kitchen, and are caused by faulty electrical appliances or unattended cooking pans and equipment – particularly chip pans. In addition candles, cigarettes, electric blankets and overloaded plug sockets cause a significant fire risk.

Always purchase electrical goods from a reputable supplier as branded goods sold via untraceable internet suppliers at much reduced prices may be counterfeit and/or may not be fitted with the appropriate safeguards against the risk of fire.

Please ensure you bear these risks in mind and take adequate precautions to protect yourself and your family.

Smoke alarms save many lives and significant damage every year. Please ensure that you have them fitted and check them regularly.

Fire risks associated with the lithium-ion batteries used in electric bikes and scooters are increasing as usage of these means of transport become more popular. Lithium-ion batteries pose a significant fire risk when damaged, over-charged or exposed to extreme temperatures.

Never:

- leave batteries unattended when they are charging, or overnight when you are sleeping in the property.

Always:

- charge them on a hard surface and make sure they don't overheat
- unplug or disconnect from the battery once charging is complete
- try to store them away from main living areas
- follow manufacturer's guidance for replacement, repairs or disposal.

Floods

If water has or is expected to enter your property you should secure your home and move your valuables and essentials to an elevated place or upper floor. You should also turn off all the utilities like power, water and gas supplies at their main source and disconnect all electrical appliances if possible.

If you know that you live in an area which is prone to flooding, there are additional steps you can take to protect your home and we would recommend contacting your local Environment Agency for further advice or call Floodline on 0345 988 1188.

Drains

Some drains which use defective materials such as pitch fibre in their construction are prone to wear out over time naturally. If this happens they will not be covered by your policy but there are more specific insurance policies available to protect you against this risk.

Storms

If you've looked after your home, then we would only expect to see damage caused by a period(s) of violent weather. Normal weather conditions should not cause damage to a well maintained property and damage of this nature is not covered by this policy. It is therefore important that you keep your property in a good state of repair. Areas that you should focus on include blocked or broken gutters or down-pipes, and loose or damaged roof tiles.

Some areas like flat roofs, fascia boards and boundary walls are difficult to inspect so if you cannot check them yourself you should use a relevant building expert to do this for you.

Thefts

Many thefts are committed by so called 'opportunist' criminals. Your property is significantly more likely to be burgled if accessible entrances are not locked and secured. Your policy may carry an endorsement about the security you have in place to prevent thefts. This usually requires you to have certain types of door and window locks. Make sure

Important information

you check your schedule to ensure you have the right protection in place. If you fail to meet these requirements we may impose a higher excess for theft claims.

If you are going away do what you can to make your house appear occupied. Ask a neighbour to pick up the mail, cancel milk and any other regular deliveries and use timers on lights if you have them.

Garages and sheds are attractive to criminals as they are easier to break in to and often contain valuable items such as tools or golf clubs. Locking these is another important step to minimising the risk of a theft.

You should also take particular care of items such as laptops and MP3 players or ipods. Cover is limited for items while left unattended anywhere outside of the home, left unattended in a vehicle or craft or left unattended in a hotel room. Please refer to the contents section for further details.

What you should do in an emergency

- take any necessary steps to prevent further damage to the property such as switching off gas, electricity and water supply
- phone our 365 days a year 24 hours a day domestic helpline. By phoning the helpline you will be given a choice of using a vetted tradesperson who could be appointed to undertake any emergency repairs or you use your own contractor. You will have to pay for any call out charges, parts and cost of labour
- call our claims team who can discuss the claim with you and give you some practical advice. Please look at the phone numbers on page 2 and choose the most appropriate
- you must not dispose of any damaged items or conduct permanent repairs because we, an approved supplier or loss adjuster may need to inspect the damage.

Our promise

- you will speak to a knowledgeable and trained member of staff who can discuss the claim and explain the next steps
- we will call you back when promised
- we will provide you with regular updates on your claim.

Claims conditions

These conditions apply to the Contents worldwide and Buildings sections. For Identity theft additional conditions apply as shown within the Identity theft section. For Home assistance and Family legal protection separate conditions apply as shown within those sections.

You and your **family** must comply with these conditions to have the full protection of your **policy**.

If you or your **family** do not comply with them we may take one of the following actions:

- cancel your **policy**
- change the terms of your **policy**
- refuse to deal with all or part of any relevant claim or reduce the amount of any relevant claim payment.

You should:

- urgently inform the police and obtain a crime or lost property reference number if property is lost or stolen or theft or malicious damage is suspected
- contact us as soon as possible by phone on the appropriate helpline. Please see page 2 for helpful phone numbers
- take all reasonable steps to recover missing property
- take all reasonable steps to prevent further damage.

What you must do when making your claim

- provide us with full details in writing as soon as possible if someone is holding you or your **family** responsible for damage to their property or bodily injury to them. You must also send us any writ summons, letter of claim or other document as soon as possible
- if we ask, you must send us written details of your claim within 30 days
- if we ask you must allow us, an approved supplier or a loss adjuster access to inspect the damage to your **buildings** or **contents**
- to assist in dealing with your claim we may require you to obtain estimates for the replacement or repair of damaged property

- we will only ask for information relevant to your claim and we will pay for any reasonable expenses you incur in providing us with the above information as part of your claim
- to help prove your claim we may require you to provide documentation as detailed in 'Proof of your claim and its value' below.

Proof of your claim and its value

It is your responsibility to prove any claim. To help prove your claim we may require you to provide original purchase receipts, invoices, bank or credit card statements, instruction booklets, photographs, proof of authenticity, utility bills, pre-purchase surveys, plans and deeds of your property or other documents we may reasonably require.

What you must not do

- admit or deny any claim made by a third party against you or your **family** or make any agreement with them
- abandon any property for us to deal with
- dispose of damaged items as we may need to see them.

What we are entitled to do

We are entitled to take over any rights in the defence or settlement of any claim and to take proceedings in your name for our benefit against any other party. We are entitled to take possession of the property insured and deal with any salvage. We may also pursue any claim to recover any amount due from a third party in the name of anyone claiming cover under this **policy**.

We are entitled to retain the right to communicate directly with you regarding your claim, even in situations where you have appointed a professional representative, such as a loss assessor or claims management company, to act on your behalf.

We are entitled to assess your claim based on our, an approved supplier's or loss adjuster's view and interpretation, even in situations where you have appointed a professional representative, such as a loss assessor or claims management company, to act on your behalf.

Claims conditions

Fraud

You and your **family** must not act in a fraudulent way.

If you or anyone acting for you:

- knowingly makes a fraudulent or exaggerated claim under the **policy** or
- knowingly makes a false statement in support of a claim or
- submits a knowingly false or forged document in support of a claim or
- makes a claim for any loss or damage caused by your wilful act or caused with your agreement knowledge or collusion.

Then:

- we may make your **policy** void from the date of the fraudulent act
- we will not pay any fraudulent claims
- we will be entitled to recover from you the amount of any fraudulent claim already paid under the **policy** since the start date
- we may not return any premium paid by you for the **policy**
- we may inform the police of the circumstances.

How we settle claims

We may repair, reinstate or replace the damaged property. If we cannot replace or repair the property we may pay you for the loss or damage in cash or cash alternative (including vouchers and/or store cards).

Where we can offer repair or replacement through a preferred supplier, but we agree to pay you a cash or cash alternative settlement, then payment will not exceed the amount we would have paid the preferred supplier.

The sums insured that apply to your **policy** will not be reduced by any claim.

If no equivalent replacement is available then we will pay you the full replacement cost of the item with no discount applied. The sums insured will not be reduced by any claim.

We may appoint an approved supplier to act on our behalf to validate your claim. They are authorised to arrange a quotation, a repair or a replacement.

Any permanent repairs made by our approved suppliers are guaranteed.

Contents

We will settle claims for loss or damage to items which are beyond economic repair on the basis of cost as new, subject to the **excess** as long as:

- the **contents** have been maintained in good repair and
- the sum insured for **contents** shown in your schedule is sufficient to cover the full value of your **contents**.

For **contents** (excluding **fine art, antiques and collectables**) the full value means the current cost to replace the items as new.

For **fine art, antiques and collectables** the full value means the cost you paid or the current market value whichever is greater.

Buildings

We will settle claims for loss or damage to the **buildings** without deduction, subject to the **excess** as long as:

- the **buildings** are maintained in good repair and
- the repair or reinstatement is carried out.

If it is not possible to repair or rebuild the damage to the **buildings**, or it is uneconomical to do so, we will at our option pay the difference between the value of selling your property on the open market immediately before the damage and its value after the damage. If it is possible to repair the building but you ask us to settle the claim using cash or cash alternative, and we agree to do so, we will pay for the decrease in market value of your **buildings** due to the damage but not more than it would have cost us to repair the damage to your **buildings**.

Matching sets, suites and floor coverings

We treat any individual items of a matching set or suite of furniture, sanitary ware or other bathroom fittings as a single item. We will pay you for individual damaged items but not for undamaged companion pieces.

If the individual damaged items cannot be repaired or a replacement found we will also pay up to 50% towards the undamaged part of the set or suite of furniture, sanitary ware or bathroom fittings.

If a floor covering is damaged beyond repair we will only pay to have the damaged floor covering replaced. We will not pay for undamaged floor covering in adjoining rooms.

Storm damage claims

The definition of what we mean by **storm** can be found in the 'Meanings of defined terms' section on page 9.

When we assess your claim, we will not rely solely on the definition of **storm** as this is just one factor we consider when you have this kind of damage to your **home**.

Other factors we consider are as follows:

- Does the evidence show that **storm** conditions occurred on or around the date the damage is said to have happened
- Is the damage claimed for consistent with the damage caused by **storm** damage
- Were **storm** conditions the main cause of the damage or were other factors involved. For example, we look if the damage would have occurred without the **storm**. This insurance **policy** is not designed to cover you for any gradual deterioration, wear and tear or loss or damage resulting from inadequate maintenance. Please see the general exclusions and conditions section of this **policy** for more information.

We will always talk to you about what damage you have as well as look at the weather conditions in the area.

Where we obtain local weather reports, we will take into account the distance of any weather stations from your **home** before making a decision.

In order to help assess your claim, we will also send a claims expert to your **home** if necessary.

Inflation protection

To help protect you against the effect of inflation we will review and amend where necessary the sum insured for **contents** at the end of each month by the percentage change in the Consumer Durables section of the Retail Price Index issued by the Office for National Statistics.

If the above index becomes unavailable we will use another suitable alternative index.

We will not reduce the **contents** sum insured if an index falls.

No extra charge will be made for any increase until the renewal of your **policy**. The renewal premium will be based on the revised sum insured.

*Although you have the benefit of inflation protection you should not rely on this alone to ensure the **contents** sums insured is adequate.*

*The value of your **contents** may be growing faster than inflation perhaps because of items you have bought or been given.*

A positive outcome includes, for example, recovering the amount of money at stake, enforcing a judgment or achieving an outcome which is in your best interests. The assessment of your claim and the prospects of its success will be carried out by an independent **adviser**. If the **adviser** finds that there is not a 51% or higher chance of success, then we might decline or stop giving support for your case.

2 Proportional costs

An estimate of the **costs** to deal with your claim must not be more than the amount of money in dispute. The estimate of the **costs** will be provided with the assessment of your case and will be carried out by the independent **adviser**. If the estimate is more than the amount in dispute then we might decline or discontinue support for your case.

How to make a claim

As soon as you have a legal problem that you may require assistance with under this insurance you should telephone the Legal Helpline.

Specialist lawyers are at hand to help you. If you need a lawyer or accountant to act for you and your problem is covered under this insurance, the helpline will ask you to complete a claim form online by visiting www.claims.arclegal.co.uk. Alternatively they will send a claim form to you. If your problem is not covered under this insurance, the helpline

Family legal protection

may be able to offer you assistance under a private funding arrangement.

In general terms, you are required to immediately notify us of any potential claim or circumstances which may give rise to a claim. If you are in any doubt whether a matter constitutes a notifiable claim or circumstance, contact the Legal Helpline.

Please note that any avoidable delay in notifying any claim might result in a claim being declined.

Legal helpline

Use the 24 hour advisory service for telephone advice on any private legal problem of concern to you or any member of your household. Simply telephone **0330 024 6861** and quote 'AXA Advanced – Family Legal Protection'. For our joint protection telephone calls may be recorded and/or monitored.

Additional legal services

In this package our aim is to provide a wide ranging insured legal service. Inevitably there are areas where it is not possible to insure legal expenses, in particular those which everybody at some time faces, but which are nevertheless often expensive and sometimes unexpected. Examples are:

- 1 Legal expenses arising from the sale or purchase of the **home** and re-mortgaging
- 2 Divorce and child custody issues
- 3 Wills and probate.

To help you deal with these and other matters which may arise we are able to give you access to discounted legal service provided by us in partnership with our panel solicitors. Our panel solicitors are one of the country's leading law firms with expertise in all areas where assistance is likely to be required.

If you would like to make use of the service please contact the number above for an initial telephone consultation which will be provided at no cost to you. Our panel solicitors will give you a quotation for the likely cost of their representation and it will then be your decision whether you appoint them to act for you.

2 Disputes

If a complaint cannot be dealt with by the Financial Ombudsman Service, any dispute between you and us may, where we both agree, be referred to an arbitrator who will be either a solicitor or a barrister. If the parties cannot agree on their choice of arbitrator the Law Society may be asked to make a nomination. The arbitration will be binding and carried out under the Arbitration Act. The costs of the arbitration will be at the discretion of the arbitrator.

A positive outcome includes, but is not limited to, recovering the amount of money at stake, enforcing a judgment or achieving an outcome which best serves your interests.
